IRONWOOD
ELECTRICAL & CONTRACTING

12-Month Workmanship Warranty

Ironwood Electrical and Contracting provides a workmanship warranty of 12 months from the date of substantial completion of the work. This warranty covers defects directly resulting from improper installation or workmanship performed by our company.

- If a covered workmanship issue arises during the warranty period, we will inspect the issue and, where it is determined to be our responsibility, repair or correct the affected work at no additional labor cost.
- Products, fixtures, devices, appliances, and equipment supplied by manufacturers are covered by the applicable manufacturer's warranty, where available.
